## Specifications

Power supply	230V/ 50hz
Current consumption	1A (ET800), 1.5A (ET1000)
Handset frequency	433.92 NHz
Signal coding	Rolling code (7.38*10 <sup>19</sup> combinations)
Operating noise level	60 dB
Handset battery	A23, 12V
Opening/closing speed	150 mm/s
Remote control range	50 m
Handsets	2 pcs
Lamp	LED, 24 V DC
Light delay	3 min
Operating temperature	-20°C - +55°C
Humidity	< 90%
Weight	15 kg

\*prices are ex VAT

## Features:

Electronic limit switchers  
 Safety autoreverse  
 3 min light delay  
 Low noise chain drive  
 Manual emergency release  
 Soft start and stop  
 Wicket door safety switch

## Options:

Back up battery  
 Infrared sensor  
 Wall control switch
